And we do not stop there. Ford uses connected vehicle health data to monitor vehicle health trends to look for and find ways to improve our products, helping to maximise uptime for our customers.	FREE	Activated from vehicle delivery for eligible customers and vehicles, FORDLive uses limited connected vehicle data. Automatic activation from delivery for eligible fleet/business customers on Transit Custom purchased from 17/06/24. Excludes retail private owners, converted vehicles, government and blue light vehicles, and leasing companies with private operators. For further details please contact your nearest Ford Pro representative. FORDLive can be cancelled at any time.

OTHER PRICING CONSIDERATIONS

Customer Order Price Protection

Ford's Price Protection Plan means that the price you pay is the same as the price on your order as long as you are prepared to accept delivery within three months, and in any event, as soon as your vehicle is available. Your Dealer has full details of the plan. Ford Motor Company Ltd is not liable for changes in price caused by Government changes in tax rates or changes in other applicable legislation.

VAT

VAT is shown calculated at 20%. The total price of a vehicle, including factory fitted options and accessories fitted by the Ford Dealer, will be subject to VAT on retail sale.

Price Changes

This price list outlines Ford's recommended on the road prices and recommended retail prices. Please contact your Ford dealer for final sale prices. This price list is effective from 28th August 2026 and supercedes all previous price lists. The recommended prices in the publication were true and accurate at the time of printing. You should, however, check details with your Dealer as there may have been changes to Ford's recommended prices in view of Ford's policy of continuous development. Ford reserves it right is reserved to change its recommended prices at any time. Change to government legislation or tax changes could result in a change to Ford's published recommended prices.

ILLUSTRATIONS, DESCRIPTIONS AND SPECIFICATIONS

The product information in this publication was correct at the time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications and colours of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the leader vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability.

Some images portrayed are of a pre-production model and/or are computer generated, therefore the design / features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional e.g. metallic paint. Please also note some driver assistance features and safety features described in this publication are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.
